New Performance-Enhancing Products

Goal Sporting Goods, Inc. is the Exclusive Distributor for these fine products that are worn by professional players worldwide.

PROTECTION
POWER
PRECISION
COMFORT

MetaSox Teamwear Socks are designed to protect the foot from metatarsal injury. The socks feature a winged shape silicon panel that covers the full metatarsal region of the foot. At only 3mm deep, the pad can withstand 40 newtons of force. MetaSox are designed to work in synergy with today's thin, light cleats, and can be worn beneath a standard sport sock. The MetaSox Collection features two lengths with multi-sport applications. See page 41.

LOCK YOUR FOOT INTO YOUR SHOE FOR TOP ATHLETIC PERFORMANCE.

Non-slip applications on both the inside and outside of the sock stop the sock from sliding on your foot, and stop the sock from sliding within the shoe. Thin vs. cushioned socks allows the player to find the perfect fit, or adjust as shoes break in. Maximize your power transfer as you change direction - change directions faster. The patented and patent pending technologies built into TruSox stop the repetitive motions between the foot, sock and shoe, that cause blisters. See page 41.

World Cup—the most popular design worldwide

Net attaches in the back with two galvanized steel stanchions set 6.5’ back. Semi-permanent or permanent, NOT portable.

Nets sold separately. See page 28. Check all connecting hardware before every use. Everyone in your organization understands the importance of the following safety guidelines:

- Secure anchor or counter-weight goals at all times.
- Check all connecting hardware before every use.
- When goals are not in use: tip goal on its face, chain goals to nearby fence, or store in a secure area.

We ship all goals with these warning labels. They should be displayed on goals at all times. Extra labels are available on request. We offer a number of options for safely anchoring goals. Please see page 30 for more information.

INDOOR/OUTDOOR GOALS

Ideal for artificial turf.

These goals can be used indoor or outdoor, and come with round of square aluminum frames. A heavy-weight flat steel base provides a level, stable design for counter-balance. For indoor use, a padded base protects gym floor. Custom sizes available, call for quote. Nets sold separately. See page 28.

GOAL TARGET

These targets define the most dangerous scoring areas so players can refine free kicks. Constructed of high impact PVC tubing with steel brackets, they fit 7" and 8" goals up to 4" diameter. Lateral bars feature high contrast markings at 12", 24", and 36" to help shooter measure nearness to post. The maximum target size at 8'H: 32"H x 49"W. At 7'H, the maximum target size is 26"H x 49"W. Easy to set up and take down. Stakes and travel case included. Ships UPS/OS. ITEM: PG6P3

HEAVY-DUTY WHEEL ADAPTER

Described on opposite page.

PAINT OPTION

The same professional quality paint system as on SOG models. Must be ordered with goals. ITEM: S2GP

Great option for quality on a budget.

By scaling back a few extras we’ve made these goals an economical alternative to our painted official goals. They are unpainted, come without a groundbar and holes are not drilled for net attachment. Use QNT2 for attaching nets. Nets and velcro sold separately. See page 28-29.

All age levels— games or practice

This goal is strong, safe, versatile, and easy to set up. As a training goal for high schools and colleges, it's great for practicing shooting accuracy. A perfect addition to youth leagues when different age levels are using the same fields and goals. Clean rounded radius for safer profile (unpainted). Both backstays and ground bar feature push buttons for easy adjusting. Ships by truck in six pieces.

POWERGOAL PORTABLE SOCCER

Take this to the field.

Truly portable soccer—full size goals and trainers that are economically priced. Each goal comes complete with net and carrying bag. Replacement nets are available.

POWERGOAL™ 5 sizes
Lightweight, truly portable soccer practice goals, available in a variety of sizes from 4’ x 8’ to 8’ x 24’, weighing between 10 and 18 pounds. Each goal comes complete with a nylon carrying bag and a high quality net. All models can be set up by one person in a matter of minutes. See chart below for item numbers.

TRAINING POWERGOAL
Maximize shooting/finishing practice with this 8’ x 24’ double-sided Dutch practice goal. The bottom section of the net can be loosened to allow balls to pass through, or made taught so balls drop in front of the goal. Comes complete with net assembly and heavy duty carrying bag, and can be set up quickly and easily by one person. See chart below for item numbers.

THE POWERBACK™
A lightweight, portable rebounder great for the backyard or the practice field. Measures 6’ x 12’. Sets up quickly and easily, and comes complete with a nylon carrying bag. See chart below for item numbers.

THE POWERTRAINER™ 2 sizes
A lightweight, portable soccer trainer. This “kick it over the net trainer” provides skills development in a fun setting. The Tournament Model measures 27’ wide, and telescopes from a low height of 3’3” to a raised height of 4’, using only one net. The Backyard Model is 14’W x 2.5’H. Both come in 36” carrying bags and set up quickly and easily. Use the PowerTrainer to improve footwork, touch, timing, and team play. See chart below for item numbers.

GOAL TO GO POP UP GOALS

Four features make ours a better pop up:

1. Corners
   GrabeGo® has corners providing a more realistic target than the half-moon pop-ups.

2. Floor
   The floor of the goal provides extra stability.

3. Stakes
   Seven stakes per goal slip into loops around the perimeter of the goal to secure it for outdoor play.

4. Weight Pockets
   Six pockets for weight bags stabilize goal for indoor play.

GOAL TO GO

FRAME
Flexible spring steel heat treated and coated.

PACKAGE INCLUDES
- Two goals with nets, two collapsible support poles with elastic shock cord, 14 ABS ground stakes, 12 weight bags, a nylon carry bag for each goal, and a third outer bag with shoulder strap
- Four features make ours a better pop up:
- Corners
- Floor
- Stakes
- Weight Pockets

FEATURES
Quick and easy assembly
Convenient to transport and store
Waterproof and durable for outdoor or indoor use

RETAIL PACKAGING AVAILABLE

1-800-334-GOAL www.goalsports.com
Essential training tools.

Rebounders are essential training devices— for both developing players and goalies. Players of all skills and ages will benefit from the repetitious skill training these rebounders provide.

LARGE REBOUNDER
An extremely stable design with 3 adjustable angle positions— this is a high-quality rebounder at an affordable price. Rebounder includes frame, net, lacing cord and anchors. ITEM: SKR1

MINI REBOUNDER
Three-piece construction, portable. Folds flat for easy transportability. ITEM: SKR2

CONCAVE REBOUNDER
A concave-shaped front frame allows the ball to accelerate off the net in a less predictable manner. Two sizes: 4’ x 4’ ITEM: SKR6

3’ x 4’ CROSS TRAINER REBOUNDER
These frames adjust three ways: height, depth, and to a multitude of angles. Trainer can be used upright or on its side. The angle of the frame determines the angle at which the ball returns. The elastic webbed net attaches by bungies to allow for superior rebounding. These rebounders fold flat for storage and transporting.

TRAINING GOALS

Heavy-duty training goal in three sizes
This double-sided Dutch training goal is designed to maximize shooting practice. The net on these training goals can be adjusted taut so the ball drops in front of the goal, or it can be tied loosely, and the ball will go through the net. Frame pieces sleeve together and secures with push buttons.

TARGET NET
Our target net measures 8'H x 24'W and fits on the face of the goal. 3mm net comes complete with four removable targets and net fasteners. Great training device for skills shooting, shot accuracy and contests. Net weighs 8 lbs. and ships UPS. 

ITEM: STR1F

TARGET NET FLAGS
Additional target flags can be purchased separately. 

ITEM: STR1F

PADDED INDOOR BASE
is sold separately in sets of two.

ITEM: STGIB

For semi-permanent goals. Permanently installed in the ground. Round or square, sold in sets of four. Weights 50 lbs.
ITEM: SGK

SAFE GOAL

We build all of our goals and equipment with consumer safety as our number one priority. But, our concern for safety goes beyond the sale. Goals that are improperly installed or stored can fail over on those who climb or hang from crossbars, causing serious injury or death. Make sure that everyone in your organization understands the importance of the following safety guidelines:

• Securely anchor or counter-weight goals at all times
• Check all connecting hardware before every use
• When goals are not in use: tip goal on its face, chain goals to nearby fence, or store in a secure area.

We ship all goals with these warning labels. They should be displayed on goals at all time. Extra labels are available on request.

GOAL ANCHORS

FIELD MARKING PAINT

NEW STANDARD FIELD MARKING PAINT
The NEW Standard field marking aerosol paint is manufactured with less solids. At GOAL, we try to offer products with a good, better, best option. The Standard paint is less expensive for when you need a price point paint. Can be used for all fields and sports. Will not harm grass. Sold in cases of a dozen 18 oz. cans. Case weight 20 lbs. Available in white only. Ground shipping only. ITEM: SSMP-W

ATHLETIC FIELD MARKING PAINT
Your best option for grass and turf applications, for soccer, football, baseball/softball, lacrosse, field hockey, track and field and golf.
• Non-clogging water-base
• Provides excellent coverage, will not harm grass
• Extra long lasting and is water soluble-stands up to wet weather
• Adjustable line width from 3” – 6”
• Average coverage per can-120 yards x 4” (about six cases per full size soccer field)

Sold in cases of a dozen 18 oz. cans. Case weight: 20 lbs. Available in white, black, orange, yellow, red, dark blue, light blue, green, pink and maroon. Custom colors available – minimum order of 60 cases.
White: ITEM SSMPW Colors: ITEM SSMPC

GOAL STRIPE- TEMPORARY MARKING PAINT/TURF
A quick drying marking paint where a temporary mark is desired.
• Lasts only as long as the paint remains free of moisture
• Will wash away after a few heavy rains, or can be removed using a hose
• Ideal for artificial turf, and temporary applications

Non-clogging and fast drying Suggested uses include: golf courses, landscaping, athletic fields, playgrounds, temporary parking. Available in white only. Sold in cases of a dozen 18 oz. cans. Case weight: 16 lbs. ITEM: SSMPPT-W

BULK PAINT
Athletic field marking paint in bulk 5 gallon buckets. This paint is specifically designed for marking lines, numbers and logos on athletic fields. It’s long lasting, organic and biodegradable. Can be used on natural and artificial turfs. Colors: white, yellow and orange. ITEM: FMBP5

PERFORMANCE ENHANCING SOCKS FOR ANY SPORT
Lock your foot in your shoe for top athletic performance. Non-slip applications on both the inside and outside of the sock stop the sock from sliding on your foot, and stop the sock from sliding within the shoe. This vs cushioned socks allows the player to find the perfect fit or adjust as shoes break in. Maximize your power transfer as you change direction—change directions faster. The patented and patent pending technologies built into TRUSOX stop the repetitive motions between the foot, sock and shoe, that cause blisters. Available in royal blue, yellow, black, white, light blue, maroon, red. Sizes: M (5.5-8.5), L (9-12.5)
Four styles available:
Crew Cushioned ITEM: TSCC
Crew Thin ITEM: TSCT
Full Length Soccer Sock ITEM: TSFS
Ankle Sock ITEM: TSAT

NEW SILICONE ENHANCED PERFORMANCE SPORTS SOCKS
MetaSox Teamwear Socks are designed to protect the foot from metatarsal injury. The socks feature a wing-shaped silicon panel that covers the full metatarsal region of the foot. The silicon pad is placed anatomically onto the MetaSox to ensure proper protection for the left and right. Embroidered “L” and “R” identify correct sock for left or right foot. At only 3mm deep, the pad can withstand 40 newtons of force. MetaSox are designed to work in synergy with today’s thin, light cleats, and can be worn beneath a standard sport sock. The MetaSox Collection features two lengths with multi-sport applications. Sizes: M (3-6), L (7-10), XL (11-13)
Two styles available:
Ankle Sport Sock ITEM: MSAS
Crew Elite Sock ITEM: MSES
Specify black or white.

GOAL SPORTING GOODS, INC. IS THE EXCLUSIVE DISTRIBUTOR FOR THESE FINE PRODUCTS THAT ARE WORN BY PROFESSIONAL PLAYERS WORLDWIDE.
### BALL BAGS & INFLATORS

#### BALL BAGS
- **Heavy-duty braided nylon with two-color drawing.**
- Holds up to 10 balls.
- Retail packaging.
- **ITEM:** SBB10

#### MESH BALL BAGS
- Small nylon mesh bag with drawstring.
- Holds 8-10 balls, and is available in white, red, blue and green.

AGILITY TRAINING TOOLS

GRADUATED Hurdles
Set of seven (14 cones and 7 rods), ultra-portable and easy to set up. Seven different height settings let you control the intensity of the exercises. 15” cones and 39” rods. Ships UPS G/S.
ITEM: GR7

DISC CONE AGILITY SET
Set of 10 hurdles (20 cones and 10 rods) Affordable option for setting up your agility and coordination training circuits. Each hurdle consists of two notched disc cones and a 32” rod. Ships UPS G/S. ITEM: DCA10

OUTDOOR AGILITY POLES
Versatile 63” poles—great for developing foot speed, change of direction, agility and dribbling skills. Can also be used as markers or goals for small sided games. UPS G/S. ITEM: AP0S

INDOOR AGILITY POLES
Spikes are replaced with durable plastic bases. Also ideal for artificial turf. UPS G/S. ITEM: AP1S

AGILITY Hurdles
Set of eight (16 poles, 8 crossbars and 16 clips)
The possibilities are numerous with this innovative design. 63” upright poles with metal stakes, 39” crossbars and adjustable clips to raise and lower the height make this the ultimate training tool. Ships UPS G/S.
ITEM: AG08

INDOOR AGILITY Hurdles
The indoor version of the agility hurdles replaces the stakes with sturdy plastic bases. Sold in sets. Ideal for artificial turf! Ships UPS G/S.
ITEM: A08B

ANKLE SPEED BANDS
ITEM: A801

TRAINING CARRY BAG
Nylon equipment bag for the following products: Agility Hurdles, and Agility Poles (indoor and outdoor models), 70” L. ITEM: FPFPBAG
For the Disc Cone Agility Set and Graduated Hurdles, 56” L. ITEM: PGBAG

FLAT FITNESS RINGS
Set these rings up in any pattern, then run, walk, bound or hop from ring to ring to develop dynamic balance, flexibility, agility, quickness and coordination. An inexpensive way to have 3-4 groups working at the same time with fun, functional drills. Rings are durable and flat to avoid potential injury from tripping.
ITEM: FF01

THE ABC LADDER
For agility, balance and coordination training. Rugged design, nylon construction, 18” W x 20’L—hard plastic rungs every 18” (adjustable). Use as one long ladder, or unsnap to make two. Snap ladders to each other at a 45º to practice changing direction. Plastic rungs lie flat and won’t tangle. Foam backing protects the gym floor for indoor use. Rolls up and stores on its own handle. Carry bag included.
ITEM: ABL120

CONDITIONING CARDS
Instructional cards for improving performance through conditioning. Six cards cover: Warm-up, Cool Down and Movement Training; Balance and Coordination; Core Strength and Stability; Footwork, Lateral Speed and Agility; Straight Ahead Speed and Acceleration; Plyometrics/Explosive Power. Each pack includes Home Workout Training Logs to track progress. For individual, team, club, camp or clinic use.
ITEM: PC06

AGILITY PACKAGE
Agility Training Package includes the following:
• ABC Ladder, 20’
• Fitness Rings, 12 each
• Banana Steps, 6 each
• Conditioning Cards, 1 set
ITEM: AGILITY PACKAGE

SPEED HARNESS
Provides resistance for acceleration drills which improves quickness and speed. Adjustable. Includes carry bag.
ITEM: SM01

BANANA STEPS
For training, rehab, or athletic development. Use to improve speed, strength, power and agility. Train for quick take off and landing. Set up course to teach obstacle avoidance. Portable, light and inexpensive, sold individually.
ITEM: BS12 12” Banana Steps
ITEM: BS6 6” Banana Steps
BULK PURCHASE OPTIONS

OFFICIAL LACROSSE GOALS

FRAME
6’H x 6’W
2” heavy-gauge galvanized steel tubing with painted orange powder coated finish

CONSTRUCTION FEATURES
Three-piece welded face with mitred corners

GROUNDBAR
4”W x ½” thick flat steel tubing with lacing bar

PACKAGE INCLUDES
LENA- easy net attachment system

ITEM: LXG-S
Net sold separately, see page 56.

Super Goals are also available in yellow and white.

The most complete line in the industry.

OFFICIAL “SUPER” GOAL
The sturdiest lacrosse goal anywhere! and the choice of top programs throughout the U.S. Our Super Goal features Lacrosse Easy Net Attachment (LENA), described below. Flat base groundbar eliminates the chance of ball deflection and gives the goal more stability. A lacing bar on the groundbar eliminates the need to lace cord underneath the goal.

LACROSSE EASY NET ATTACHMENT SYSTEM
Attaching nets has never been easier. Net attachments are welded to uprights and crossbar. Weave the ¼” rod thru net and net attachments without frustration. With this new simplified system, you’ll have a net on your goal quickly. Comes with LXGS, must be ordered with other goals.

ITEM: LENA

OFFICIAL LACROSSE GOAL
Our best-selling official lacrosse goal. This goal is extremely durable and easy to assemble. With a flat ground bar, the LXG1 eliminates the chances for ball deflection and meets all NCAA specifications. Weight 140 lbs. and ships UPS. Also available in white.

ITEMS:
- LXG1: Orange
- LXG1-W: White (Womens’)
- LXG1-Y: Yellow (Pro)

Net sold separately. See page 56.

PORTABLE LACROSSE GOAL CARTS
Move heavy goals easily on 10” semi-pneumatic wheels. Our portable lacrosse goal cart is constructed of ½” OD galvanized steel tubing with a powder coated finish. Fits portable 6’ x 6’ goals. Ships UPS.

ITEM: LX66

GOAL CART WHEEL KIT
For our official lacrosse goal, LXG1. Designed to fit 2” flat steel ground bar goals. 10” semi-pneumatic wheels. Set of 4. Ships UPS- 40 lbs per set.

LX61

The flat surface design of the LXG1 groundbar eliminates the chances for ball deflection.

BOX LACROSSE PORTABLE

Official Indoor Goal, measuring 4’H x 4.5’W. Goal frame is constructed of 2” heavy-gauge galvanized steel tubing with an orange, powder coated finish. Five-piece construction: two uprights, one crossbar, two groundbars. Groundbar is 2”W x ½” thick steel. The flat ground bar design eliminates chances for ball deflection. ITEM: LXGB

Net sold separately, use LXNB. See page 56

OBSTUSE ANGLE PORTABLE

NCAA approved “no bounce back” feature. This portable official lacrosse goal features a patented obtuse angle construction. Goal frame measures 6’H x 6’W, and is constructed of 2” heavy-gauge galvanized steel tubing with an orange, powder coated finish. Five-piece construction, three piece welded face with mitred corners. Groundbar is 2” heavy-gauge galvanized steel. ITEM: LXGO

Net sold separately. See page 56

NEW
LX61WK

Portable Goal Carts on opposite page
LACROSSE PRACTICE GOALS

PRACTICE LACROSSE GOALS
Our lacrosse practice goals are built tough in three different sizes. A back frame with a flat bar design for increased player safety. This flat surface design also eliminates the chances for ball deflection.

ATTACK GOALS

FRAME:
- 1½” galvanized steel tubing with orange powder coated finish

CONSTRUCTION FEATURES:
- Five-piece sleeve together
- Welded for extra strength

BACK FRAME:
- Safe, flat surface design that eliminates chances for ball deflection

PACKAGE INCLUDES:
- 2mm white net and attachments

LACROSSE TRAINING

LACROSSE SHOT NETS
Shot nets attach to the front of your goal. Four corner openings are targets for skills shooting and accuracy. Goal sold separately.

ITEM: LSN
- Same net, but with pockets to catch balls

ITEM: LSNP

CHIPP SHOT
Chip shot frame
- A portable, heavy-duty shooting target that attaches to your goal. Camp directors and coaches use it for skills shooting, practicing, and contests. Welded steel triangles, blue vinyl webbing, knotless nylon pocket, red flap, and velcro. Sold in sets of two (one left/one right). Goal sold separately.

ITEM: LCS

Available for World Class and International Goals
Black Polyethylene Bottom Boards are much more durable than wood and are made from recycled plastic making this a “green” material. Bottom Boards are assembled into a durable aluminum frame for easy set-up and are UV protected so they will stand up against the elements, will not fade, warp, crack, or splinter. Custom colors available upon request.

FOOTBALL POWERPOST

PORTABLE, LIGHTWEIGHT FOOTBALL POSTS

On the practice field or in the backyard these goal posts are powerful training tools for place kicking or individual kicking practice. Posts sleeve together, and lock into place with push-buttons. Each post is topped with a contrasting white flagstick with a bright orange pennant to indicate wind direction. All components, necessary tools and instructions fit neatly in a 75” heavy-duty nylon carry bag. Sets up easily with two people.

Great for practice & skill development

Available in three sizes:

**Folding Mats**

- Manufactured in 2’ sections, available in a range of standard sizes. Three standard colors: red, green, royal blue.
- Custom colors available.

### WALL MOUNTED CHINNING BAR

Non-adjustable wall mounted bar. 40” wide, galvanized steel, powder coated black. Bolts directly to wall. 16 lbs./UPS O/S. Item: WMCB8726

### ADJUSTABLE CHINNING BAR

Wall mounting brackets and bar are galvanized steel. Brackets mount to wall with enclosed lag bolts and shields. Removable 40” wide bar adjusts in 6” increments. 21 lbs./UPS O/S. Item: AMHCBS3102

### WALL PANELS-CORE PANELS

Wall panels come standard with lip. They are available without lip on request. Custom cut-outs for fixtures and electrical outlets are made to order with an exact diagram of the locations and dimensions.

**Assembly**

- Column pads
- Pole pads: Two styles
- Beam pads: 2” foam
- Column pads: Call with dimensions.

**Post Pad**

- Pole pads: Two styles
- Wrap-around pad: 1 1/2” high density polyurethane foam, available with grommet and laces.
- ASP-PP2

**PRO solid core style pad:** 4” of extra firm poly foam, provides complete 360 degree coverage of goal post and uses velcro fastening.

**Size: 4” Pole x 8”H. Item: ASP-PP1**

### PHYS ED- EQUIPMENT

**Adjustable Chinning Bar**

Wall mounting brackets and bar are galvanized steel. Brackets mount to wall with enclosed lag bolts and shields. Removable 40” wide bar adjusts in 6” increments. 21 lbs./UPS O/S. Item: AMHCBS3102

**Adjustable Wall Mounted Chinning Bar**

Non-adjustable wall mounted bar. 40” wide, galvanized steel, powder coated black. Bolts directly to wall. 16 lbs./UPS O/S. Item: WMCB8726

**Adjustable Corner Chinning Bar**

When space is limited, this bar fits neatly in a corner. Bar is 40” wide, 1 1/2” OD galvanized steel, powder coated black. Bolts are included for easy mounting. 10 lbs./UPS. Item: CCB11526

**Jumbo Pole Set**

One-piece 2 1/4” OD galvanized steel tubing. 10” above ground and 2’ in ground. Ball sold separately. Ships by truck. Item: TB1

**Easy-Roll Game Standard**

One-piece pole set

- Offset weight makes these more stable than heavier, more expensive models.
- Can be filled with sand for added stability.
- Easy to set up by adults or children in most recreational settings—except competitive situations. 71 lbs./truck. Item: ERGS5055-2

**Two-piece pole set**

The Easy-Roll Game Standard is also available with a two-piece pole set. Set includes one 6’ pole and one 4’ pole that can be joined together or used separately for different activities. Item: ERGS5055-3

**Two-piece replacement**

Item: ERGS5050-2

**PRO Solid Corner Style Pad**

4” of extra firm polyfoam, provides complete 360 degree coverage of goal post and uses velcro fastening. Size: 4” Pole x 8”H. Item: ASP-PP1

**PRO Solid Core Style Pad**

4” of extra firm polyfoam, provides complete 360 degree coverage of goal post and uses velcro fastening. Size: 4” Pole x 8”H. Item: ASP-PP2

**Grommet & Laces**

**Hoop Around**

Portable, lightweight basketball goal constructed of thick wall tubular steel with a red powder coated finish. The 18” diameter rim makes it a perfect choice for teaching young players.

- Sizes: 4’ 6’, 2’ extension makes 6’ to 8’.
- Item: RB6 4’H
- Item: RB6 6’H
- Item: RB6 8’H extension
